

# APPENDICES SUMMARY

## Appendix A – Vista Gold Mt Todd PFS

<b>Attachment A1</b>	Resource Estimation for the Batman and Quigleys Deposits, and Heap Leach
<b>Attachment A2</b>	Preliminary Feasibility Mine Study Update
<b>Attachment A3</b>	A Preliminary Geotechnical Assessment for Pit Slope Design
<b>Attachment A4</b>	Process Design Criteria for Processing 50,000 tpd
<b>Attachment A5</b>	Metallurgical Test Report
<b>Attachment A6</b>	Mt Todd Power Generation Study
<b>Attachment A7</b>	Geochemical Characterization Program
<b>Attachment A8</b>	Reclamation Plan
<b>Attachment A9</b>	Site Wide Water Balance
<b>Attachment A10</b>	Raw Water Dam
<b>Attachment A11</b>	Hydrogeology
<b>Attachment A12</b>	Tailings Storage Facility Design
<b>Attachment A13</b>	Water Treatment Plant
<b>Attachment A14</b>	Stormwater Management Plan

## Appendix B Environmental Management Plan

<b>Attachment B1</b>	Vista Gold Environmental Policy
<b>Attachment B2</b>	Incident and Non-conformance Register
<b>Attachment B3</b>	Complaint Form
<b>Attachment B4</b>	Complaint Register
<b>Attachment B5</b>	MTPA Environmental Commitments

## Appendix C - Hazardous Substances Management Plan

<b>Attachment C1</b>	Request to Bring Hazardous Substance to Site
<b>Attachment C2</b>	Hazardous Substances Inventory
<b>Attachment C3</b>	Fuel Inventory
<b>Attachment C4</b>	Section 29 – Environmental Incident Notification Form
<b>Attachment C5</b>	Section 14 Incident Report Form
<b>Attachment C6</b>	NT Worksafe Incident Notification Form

## Appendix D – Waste Management Plan

### **Appendix E – Tailings Management Plan**

- Attachment E1** Risk Matrix
- Attachment E2** Mt Todd Tailings Storage Facility 1 Assessment Report (TGI 2020)

### **Appendix F – Waste Rock and AMD Management Plan**

- Attachment F1** Base case detailed yearly dump positions with core and NAG outer shells

### **Appendix G – Cultural Heritage Management Plan**

- Attachment G1** Heritage Site Inspection Register
- Attachment G2** Unexpected Finds Register: Heritage Sites and Items
- Attachment G3** Unexpected Finds Register: Suspected Human Remains
- Attachment G4** Aboriginal Areas Protection Authority (AAPA) Certificate RI2018/140

### **Appendix H – Community Engagement Management Plan**

- Attachment H1** Issues analysis and management

### **Appendix I – Air Quality and Dust Management Plan**

- Attachment I1** Project Specific Dust Thresholds
- Attachment I2** Dispersion Modelling - Predicted PM<sub>10</sub> Impacts
- Attachment I3** Reactive Dust Management Strategy - 1-Hour Average Trigger Levels

### **Appendix J – Weed Management Plan**

### **Appendix K – Fire Management Plan**

- Attachment K1** Fire History Report (2010-2019)
- Attachment K2** Fire Scars by Year Report (2011-2020)

### **Appendix L – Flora and Fauna Management Plan**

- Attachment L1** Risk Matrix
- Attachment L2** Ground Disturbance Permit Instructions
- Attachment L3** Fauna Sighting and Fatality Register
- Attachment L4** Pest Fauna Register
- Attachment L5** Gouldian Finch Monitoring Plan

### **Appendix M – Emergency Response Management Plan**

<b>Attachment M1</b>	Safety Call-in Escalation Log
<b>Attachment M2</b>	Incident Report Template
<b>Attachment M3</b>	Notification of an Environmental Incident Form
<b>Attachment M4</b>	Incident Notification Form

### **Appendix N – Erosion and Sediment Control Plan**

### **Appendix O – Noise and Vibration Management Plan**

### **Appendix P – Water Management Plan**

<b>Attachment P1</b>	Groundwater Data
----------------------	------------------

### **Appendix Q – Traffic Management Plan**

### **Appendix R – Closure Plan**

<b>Attachment R1</b>	Waste Rock Dump Closure Assessment Report (TGI 2020)
<b>Attachment R2</b>	Cover Trials Design and Monitoring Procedure (Tetra Tech 2020)
<b>Attachment R3</b>	Batman Pit Predictive Geochemical Modelling Report (Practical Geochemistry LLC)
<b>Attachment R4</b>	Post Closure Pit Lake Water Quality (Practical Geochemistry LLC)

### **Appendix S –EPA Commitments Table**

### **Appendix T – Risk Register**

### **Appendix U – EPBC Documentation**

<b>Attachment U1</b>	Draft Gouldian Finch Management Plan
<b>Attachment U2</b>	Draft Gouldian Finch Monitoring Methodology
<b>Attachment U3</b>	Draft Gouldian Finch Offset Strategy
<b>Attachment U4</b>	Technical Advisory Committee Terms of Reference
<b>Attachment U5</b>	TAC Member CVs

## **Appendix V – RFI Response Memo**

<b>Attachment V1</b>	VB07 and VB08 clarification
<b>Attachment V2</b>	Memorandum RE: Stability of pit walls wrt the WRD (Ken Rippere 2019)
<b>Attachment V3</b>	Letter from DENR re: Variation to the EIS – consideration under Clause 14A
<b>Attachment V4</b>	TGI team CVs for TSF1 Review
<b>Attachment V5</b>	Geotechnical investigations borehole and test pit locations
<b>Attachment V6</b>	Receiving Environment Monitoring Program (REMP)
<b>Attachment V7</b>	Professor Jenny Davis – Statement of independence and CV
<b>Attachment V8</b>	Review of the 2017 REMF undertaken by Professor Jenny Davis
<b>Attachment V9</b>	Jill Woodworth – Statement of independence and CV
<b>Attachment V10</b>	Request for Further Information and Extension of Decision on Approval Timeframe – Mt Todd Gold Mine
<b>Attachment V11</b>	WDL 178-6 Amendment Request
<b>Attachment V12</b>	A Review of Hydrogeological Report – Factual Report (GHD)

## **Appendix W – Security Calculation and Spatial Data**
